

Teaneck Public Library - Art Gallery Floor Plan

Art Gallery Floor Plan Description

Entrance

The entrance is located at the lower left corner of the space and opens directly into the main book display area.

Main Book Areas

- A large book display area occupies the lower central portion of the room.
- An additional book section is located to the lower right, labeled Children’s Books.
- A Young Adult Books area is located on the right side of the room, arranged diagonally.

Tables and Display Areas

- Two rectangular tables are positioned in the center of the space.
- A table case viewing area is located in the upper left portion of the room.
- A separate table is positioned near the center left column.

Columns

- Column A is located on the left side of the central area.
- Column B is located on the right side of the central area.

Hallways and Circulation

- Multiple hallways run horizontally across the middle of the space, connecting all major areas.
- Seating is placed diagonally along one hallway on the right side of the room.

Children's Area

- The Children's Books section is located in the lower right corner, adjacent to a hallway.
